WCCS Eagles Soccer Team Visits

We had lots of young faces around our table for a change. Principal Feinman was there with three of the Middle School Soccer Girls, Amber Callahan, Cindy Wolcott and Kelsy Feinman. They were all decked out with their new sweat-shirts.

The dinner was very identifiable last meeting, and perhaps a little predictable too. Guess what, turkey, stuffing, mashed potato with gravy and green beans, and for dessert, you guessed right, pumpkin pie with a little cream on top.

Marty Kimmel went West again, - to Cleveland this time, which beats Chicago, I bet. President Pat hit him for three bucks! I wonder if she did that to pull out some Happy Dollars from members, who wish to set their own amount of fine?

Tom Didas tossed in a happy one for having all three girls home from college for the upcoming holiday. Helen and he were looking forward to filling the house again.

Sharon Vogt had attended a dinner, where she and several other employees at the nursing home were honored and thanked for their efforts in the last five years. Apparently it is quite unusual to have such a low turnover of personnel that Sharon has enjoyed.

President Pat threw in a happy dollar for having the opportunity to meet almost all of the family over the holiday.

Bob Oswald had a sarcastic dollar! He was looking forward to enjoy his sister-in-law's cooking for Thanksgiving.

Past President Don Griffing had an "extreme makeover." The nose-job was a success, but not so successful that it warranted a fine by President Pat. The reason for Don's ordeal was apparently a particularly nasty attack committed by a vengeful tree. The dirty deed happened just after Don had completed a radical amputation of the tree's trunk, so it wasn't completely unprovoked.

Business

President Pat read a letter from Art Shriner, which made us all feel very sad. It was with regret that he resigned from our club. Since Polly's illness, he hasn't dared to leave her alone for the time of our meeting, and he does not feel too comfortable with night driving any more. I think we determined Art's age to 93, and we are going to try to find out exactly how long he was a Rotarian, - perhaps as long as sixty years.

After some discussion we decided that it would be appropriate to name Art an honorary member of the club, and that we would try to arrange a spouse night in his honor some time after New Year, inviting both Polly and him.

Another very senior member, whom we haven't seen for quite a while, is Jack Bishop, who will be 94 on December 15. He is down in South Carolina, and a card will be sent to him on the occasion.

The Eagles Girls' Soccer Team

After an introduction by Principal Feiman, the three girls gave us their view on the service project they had just participated with us. They had enjoyed the work, and the comments they received from the public. It was clear that we had good Interact material with us

here! They looked very nice in their new sweat-shirts, as you can see in the pictures. Each shirt had their number and name on the back.

Many club members expressed their gratitude and appreciation for the girls' efforts. They are truly a credit to their team, school and parents. We are very proud of them!
