Community Chest Will Talk Festival Next Tuesday

It was an uncharacteristically mild day last Tuesday, and we almost managed to break even on the dinners. Sharon Vogt's idea with the happy dollar helped a lot.

We had a guest last meeting, George Smith, who has been a member of three Rotary clubs in the past. He and his wife have recently moved to the area, and I think George was scouting out a new club. I hope we passed muster...

The Miller House served us a hot roast beef sandwich last time with canned peas on the side. Salad before and cake with the coffee after the meal.

Sharon Vogt threw in a happy dollar since her team was still in the play-offs.

President Don had a scary incident on his way to Florida, driving his mother's motor home. Someone had thrown a heavy object from an overpass, which took out an air handler and several pipes on the vehicle. Just fractions of a second earlier, it could have hit the windshield. We were all relieved and several of us threw in happy dollars instead of fining Don for Florida. Pat Lysell threw in one for Sharon's consideration of our club too.

Business

We received a thank you card from the Shriners. Roy Robinson was able to give us an encouraging report about Polly, who is now coming along nicely at Bethesda Mercy Care in Hornell. She is walking, sitting up and smiling, and is able to go without the oxygen now. Art seems to be much less tired too. Another reason for happy dollars!

President Don reported that two students were originally interested in the District 7120 Vocal Contest. One of them prevailed until now, and will go to the Shewan Recital Hall at Roberts Wesleyan College the following Saturday. Her name is Grace Robinson, and she is an Interactor! President Don plans to go up there. The recitals run between 9 am and 2 pm. Good luck, Grace!

Next Tuesday, up to four representatives from the Community Chest will come to discuss the PF.

Saturday 21st at Traphagens for the Lost City hike in the Andes program. Art took a show of hands for attendance. If you intend to come, please contact Art beforehand.
